## CITTI 17

60" x 32" x 17"

Citti® is derived from sanskrit for "free spirit." At the same time, the name evokes today's great cities: these are the perfect baths for urban living.

The specifications shown indicate the outer edge dimension and the inside bathing capacity dimension measured at air jets' height. The manufacturer accepts a 1/4" [0.64 cm] variance. There are variations on each product and specifications are subject to change as we improve upon our product as required. The dimensions needed for site preparation and structure building will differ. BainUltra® assumes no responsibility for preparatory work done prior to the product being on site.
